# SET – Conestoga College

**Mobile Application Development**

Assignment 3

**Trip Planner**

Contribution Document

Amritpal Singh, Gursharan Singh, Mustafa Efiloglu, Waqar Ali Saleemi

## Team coordination:

The below table of contribution represents the particular parts of the assignment requirement assigned to each member. However, the members of the team worked together to resolve problems and developed central ideas. Here all the members of team agree to the equal contribution from all and hence we conclude the success of this assignment as a result of team effort with no inter-conflicts.
